REDDALE LANDFILL COMMUNITY LIAISON COMMITTEE

Current members:

Mike Kunzli -----Chairman & Resident Liaison Officer
John McLean ----- AC
Nigel Donovan ----- AC
Bob Gibbs ----- Local Resident
Bill Earwaker ----- Local Resident
Kirk Storie ----- Local Resident
Richard Croker----- Local Resident
Rob Leinwand ----- Local Resident
Roger Sorensen----- Local Resident
Stephen Walker ----- Local Resident
David Hardy ----- NHTCC
Debbie Marshall ----- DF Primary School Principal
Martin Bradshaw ----- DF Primary School BOT
Mark Drury ----- Peer Review Panel
Chris Wills ----- Waste Management
Andy Vosper ----- Waste Management
Rob Bailey ----- Waste Management
Michelle Kennedy ----- Waste Management

The Committee's role is to allow issues and concerns relating to the operation of the landfill to be debated and negotiated. Should you have any questions or concerns regarding Redvale Landfill please contact Andy Vosper on 09 427 0600 or your nearest Liaison Committee member.

Members were elected to the Committee by the community or have been appointed to represent particular interest groups. **Minutes of the meetings are available for perusal at the Waste Management NZ Ltd office.** Any member of the public is able to attend and be heard at these meetings as long as at least two days' notice is given to the Secretary Michelle on Redvale@wastemanagement.co.nz or phone 09 427 0600

DAIRY FLAT COMMUNITY TRUST

Current Trustees are:

Ken Stirling	Treve Kunzli
Julie Earwaker	Greg Taylor
Graeme Stubbing	Steven Earwaker
Andy Vosper	Michelle Kennedy

The Dairy Flat Community Trust is a charitable Trust to administer and distribute monies provided for the Community of Dairy Flat by Waste Management NZ Ltd. Please see our Trust website:

www.dairyflatcommunitytrust.co.nz

Should you have any questions concerning the Trust, please contact:

Chairperson - Greg Taylor Ph: 415 6643 or 426 0606
Secretary/Treasurer - Michelle Kennedy Ph: 427 0600

Redvale Landfill

Its October already, time flies by as we head towards the summer, and with it the traditional Dairy Flat School Agriculture Day, a time honoured tradition since 1938. A fabulous turnout, with tremendous support from the community: great fun for all the family. WM were there to provide information on the landfill activities, as well as this year, aiming to put the word out about local recruitment and employment for a number of positions. There are vacancies at Redvale for Equipment Operators, Gas Technicians, Team Leader Generation, and a number of positions are available in our collections division: Transport drivers, Transport dispatchers, and Operations supervisors. Judging by the discussions, there was considerable interest shown. All inquiries can be sent initially to our Redvale office, and Michelle will direct them to the appropriate department.

Earthworks for site and cell development commenced on the 5th of October, as we continue to develop landfill airspace in the western property. Final restoration work will also be undertaken on the north and eastern slopes this year.

Landfill operations have been focused in the central areas, at the RL106 level.

The design, construction and installation of noise barrier adjacent to the 12 1MW generators is well underway. Geotechnical designs are complete, building consent has been granted and tenders have been returned. The team are on track for completion of the installation by Year end.

The second wheel wash system has been commissioned, which also includes a centrally located fast fill system for the water carts. Additional electrical works have been carried out to ensure the systems can operate during power outages. Significant additional lengths of internal access roads have also been paved, all part of the measures aimed at reducing lime/calcium carbonate carryover onto Landfill Access Road and beyond.

The Environment Court is currently determining the consent renewal, and it is expected that all parties will hear from the courts in the coming weeks ahead.

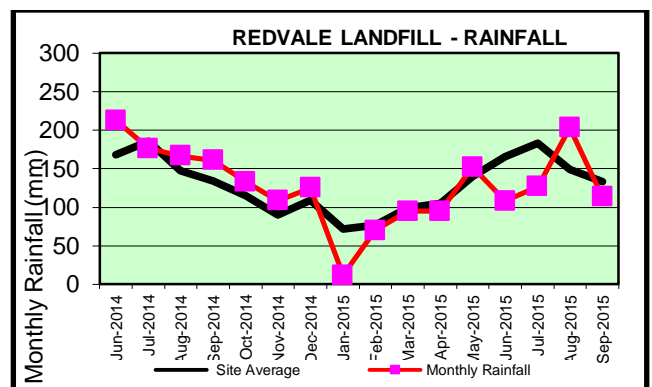

Local community equestrian activities on land owned by WM is, we are pleased to say, on the increase. Dairy Flat Pony Club's reinvigorated committee is ploughing ahead with the work on the northern landform, to establish their club nights, and the start of their weekly programme of events.

The trotting fraternity have also recently approached us to restart their involvement in the Trotting Track. Hoof It Stables are now in residence at the stables, and sharing access to the track and paddocks, with other local users of the stables and tracks.

We are also exploring the possibility of installing some mountain bike tracks on WM land, to encourage local children (and adults) into biking/cycling, which is a theme getting significant political attention at national, regional and local levels, with Bike On New Zealand Charitable Trust (CC44779), which is a registered charity whose main objective is to enable all New Zealand children to ride a bike on a regular and equal basis within school, through its national 'Bikes in Schools' programme.

All the best for a long hot summer.

Andy Vosper, Regional Manager – Redvale Landfill

Comment from your Local Board Member

John McLean

News from Local Clubs and Organisations

Contributions to the newsletter are welcome. The newsletter is printed every three months. Waste Management accepts no responsibility for the opinions expressed in the articles submitted to the newsletter.

Please contact: Michelle at Waste Management NZ Ltd
Ph: 09 427 0600 Contributions can be emailed to:
Redvale@wastemanagement.co.nz

Community Liaison Chairman's Comment

Not much to report this time.

The current consent process continues but no judgement that I am aware of, at time of writing. That judgement must be getting close now and hopefully will be sighted by the end of October.

The progress with the website has not gone as smoothly as hoped and I believe there have been navigation issues. The intent is to make the website as user friendly as possible for local residents to stay in touch, and if the situation arises, log complaints or comments as appropriate.

It was good to see the WM marquee at the Dairy Flat School Ag Day as this gave local residents an ideal opportunity to ask questions in an informal setting and see the faces behind the phone. I hope you took advantage of it.

The increase in the number of CLC Meetings per annum has thrown us a little bit out of sync with this Newsletter. The next meeting, held on 19th October will have passed by the time you read this Newsletter. That is something the website will address when it is up and running.

The next meeting that I can give advance notice of will be held late February next year. No date had been fixed at time of writing but this will be addressed at the CLC meeting on 19th October. Depending on printing time it may be possible for WM to include that meeting date in their column.

Mike Kunzli

Amputation of the right arm

Whilst Rodney Local Board is a very large geographical area, in fact it's the largest Board area in Auckland Council stretching from Coatesville / Riverhead in the south to Te Hana in the north. There are lots of things happening and so it is important that I share with those living in the south (i.e. Dairy Flat) a little of the news coming from the north.

Auckland Council has been in existence for 5 years, and already there are groups in the Auckland region who have expressed their opposition to being "grouped" with a regional wide Auckland Council, or for that matter being included as part of New Zealand's very first Super City.

Where have been the gains or efficiencies or economies of scale, or the reduction in rates as was promised by Government? – is a plea I often hear. To be honest I have to scratch my head as well but on the other hand Auckland Council has done some things very well, but on balance improvements are still needed.

Dairy Flat lies within the Rodney Local Board of Auckland Council (AC) and early this year a group calling themselves the Northern Action Group (NAG), a group seeking to represent the geographical interests defined from Puhoi to the Brynderwyns including Warkworth has sought to break away from AC. A High Court hearing in March 2015 found this attempt by a proposed northern Rodney unitary council and the work of a Hearing Commission drawn up to hear this submission wanting in detail, and not being able to demonstrate the efficiencies and cost savings, together with the productivity gains and improvements and evidence that it has the support of the Community. These were called the threshold tests and these have yet to be properly tested.

These tests have yet to be rigorously debated and the position adopted by NAG will continue to surface for several years to come. NAG will not go away, and its likely this discussion will lead to further exploration with the Commission and significant level of consultation in Rodney and AC. If NAG are successful in some form or another over time, this outcome will invariably affect the geography and tapestry which is Dairy Flat and particularly a reduced Rodney Local Board area size and it will also lead to indirect consequences to Rodney because you 'cannot amputate a right arm without some effect on the whole or for that matter, the originating body or entity of Council..'

In closing, it has been interesting to note the opposition in Hawkes Bay to a Super city and more recently, the opposition to unify Wellington with the Wairarapa despite the obvious physical distance and natural barrier of a large mountain chain.

John McLean

**Dairy Flat representative – Rodney Local Board
AUCKLAND COUNCIL**

Dairy Flat School

October 17 turned out to be a wonderful day for our Dairy Flat Community. Our annual Agriculture Day was hugely successful with many people enjoying the day. It was great to see many ex-pupils and their families here. We had ninety nine animals on display; 48 lambs, 11 calves, eight goats and 32 chickens. These were all judged on the day. We are very grateful to our judges some of whom have been judging here for many years. The winners of the cups are listed below.

Country Women's Institute Cup	Indoor Classroom Competition	Charlie Vermeulen/Lucy Cotter
Foleys Quarry Cup	Runner up classroom section	Rhea Bourhill
Leighton Family Trophy	Planter/Paver	Millabeene Turnbull
Torrington Family Cup	Chicken	Charlie Rutherford
Wintershall Trophy	Reserve Champion Goat	Pippa Lloyd
Thornley Cup	Champion Goat	Samantha Syme
David Bell Cup	Best Beef Breed Cup	Toby Lewis
Colville Settlers Cup	Best Dairy Breed Cup	Madeleine Cate
LIC Ribbon	Child with calf	Charlotte Lockie
Ex Pupils Cup	Junior calf	Elye May
Rigney Memorial Cup	Reserve Champion Calf	Holly Druce
Committee Cup	Champion Calf	Angus Taylor
Bayley Family Cup	Junior Lamb	Sophie Cotter
LIC Ribbon	Child with lamb	Lachlan Finlay
Carmichael Cup	Reserve Champion Lamb	Tamsin Lockie
Gatman cup	Champion Lamb	Lucy Cotter
RD1	Young Farmer 2015	Quinn and Callum Forrester
Earwaker Rose Bowl	Aggregate Points Runner up	Angus Taylor/Charlie Vermeulen
Quintal Cup	Highest Aggregate Points - Indoor/Outdoor	Lucy Cotter

Our final term for 2015 is focused on NZ flora - growing, cooking and eating your own food. Term four is also time to assess progress in learning and report to parents on student achievement.

We are beginning our planning for 2016 already! The school is growing positively and the Board of Trustees is still determined that we hold strongly to our country roots despite the urban sprawl creeping on our borders.

Dairy Flat Community Hall Association (Inc)

Postal address: P.O.Box 300-123 Albany Auckland
Address Hall: Cnr. Postman Road
State Highway 17 Dairy Flat
E -mail : info@ DairyFlatLive.com

Did you know you have your own (community owned and not council owned) community Hall in Dairy Flat. The first part of the Hall was built in 1933 and the Hall has been extended and renovated many times. The Hall is available for community use every day of the week. The community use of the Hall is very low at the moment. The fundraising part of the Hall committee, Dairy Flat Live (Rhythm& Blues), and the Stetson Club (Rock & Roll) organizing live music in the Hall every Friday night. People come from all over Auckland for those Friday nights to Dairy Flat; sadly we don't see many locals. Supper is provided on those nights and the average entry cost is \$ 10.00 per person and we have a Licensed Bar with Club Prices.

Dairy Flat Hall Reserve

Did you know that the land on the left hand side of the Hall is a reserve?? Behind the Hall is a 160 m2 deck to connect the hall and the reserve and recently we built a stage 8 x 8 meter on the paddock/reserve side and 4 x 4 meter on the deck side.

Hall Hire

For Hall Hire please go to our web site <http://www.DairyFlatLive.com> If you want to start any club we will support you with making the Hall available for nearly no cost.

Entertainment Program For November and December in your Hall

All welcome to our clubs you don't have to be a member.

5th November (Thursday) - Jam night
6th November - The William Brown Band R&B
13th November - The Brendon Ham Band R&R
20th November - DECODA R&B
21st November (Saturday) - The Mississippi Delta Blues Band Blues
27th November - Kiwi Express R&R
3rd December (Thursday) - Jam night
4th December - Riverhead Slide R&B/ Blues
11th December - Rock & Roll Allstars R&R
13th December (Sunday) - BB- King Tribute Three Bands and Jam

Weather permitted outside on our stage in the reserve.
31st December - James Ray R&R

Feeling Fab Trust

Our organisation is focussed on bringing joy and support for those women who have suffered grief and loss.

Our programmes are designed to bring a special gift to these women and making a difference to those who have attended our Pamper Days.

The word pamper is used to communicate to those in need, an opportunity to be cared for, through a day of nurturing that renews the sense of self. Our programme draws on the basic nurturing principle of Mana Atua, wellbeing.

Our longer term goal is to take our programme to small towns and rural communities and a wider inclusive range of participants.

Should you have any questions at all, please feel free to contact Elizabeth York our Director at 4211881 or 0211373155.

www.feelingfab.co.nz

It is our privilege to be able to assist our women participants and make a difference to them at a stressful transitional time in their lives.

Arohanui,

Greenpark Preschool

Term 3 - 30 September 2015

We have had another very busy term at preschool. We started out with a keen focus on 'Dinosaurs' – spending time in the art room creating our own dinosaurs. We created a life-size T-Rex head cut out of cardboard and the children created the teeth by measuring, drawing and cutting them out and adding them to the enormous skull. Likewise we created a Diplodocus footprint and then drew around our own feet, cut out and pasted them on the dinosaur footprint to make the comparison of size. We had a dinosaur egg hunt in the sandpit. We created our own dinosaur eggs using balloons filled with water and inserted baby toy dinosaurs inside – we froze them in the freezer overnight and had an exciting treasure-hunt the next day.

The weather has allowed us to spend some time outdoors which was wonderful as we have had new lambs and a visiting goat to bottle feed. We made sure they had a wee sleep during our morning tea time so they could keep up the pace for the whole day.

We had one of our families bring in their pair of Bearded Dragons to show the children. They are breeding them and had interesting information to share about their needs and behaviours.

Our special annual Gumboot Day was a great success. The children created posters to advertise the occasion. The children sang a gumboot song which included the parents, after which we set up outdoor games such as gumboot tossing, gumboot golf and gumboot races. The children baked a cake to share with our parents. A great deal of fun was had by all our families.

We made 'Father's Day Ties' using cardboard. We requested that our Dad's took a photo of themselves wearing the tie that their child had designed so that we could display all of them in the classroom. We had a great response and the children are very proud of the photos – often stopping to look at their Dads pictures displayed on our wall.

We have been practising earthquake and fire drills this month. The children respond immediately and are very good at going to the designated spot after they are given the all clear. They answer clearly to their names being called out. 'Practise makes perfect' as we have proved to be true.

We have drained our worm farm of worm juice to fertilise our feijoa trees that we planted for the season of Matariki – the children bottled the juice and offered it to their parents to feed their gardens as we move into the season of Spring.

Mel and the Greenpark Team

FREEMASONS

LODGE ALBANY NO. 442

For information contact the Secretary,
Peter Colbourne, Ph: 09 426 9261.

Silverdale Squash Club

Silverdale Squash Club is a great venue to meet other socially minded people (and some even play squash well). If you have never tried squash – it's a great way to keep away the winter blubber without getting brain numbed at the gym!

Interclub squash runs throughout the year and we have teams to suit all abilities – men and women and several mixed Masters teams (the oldest is 72 so clearly you are never too old to enjoy squash!)

For juniors, tuition is still being run by the club's coach on Friday evenings – so if anyone under 16 is interested, email the club at tonyforde@hotmail.co.nz or see our Facebook page.

For those who want to get seriously fit and really improve their squash, our new coach Shelley Kitchen (ex New Zealand Number 1) is running coaching sessions for children and adults throughout the week. The only question is how can someone who makes you work so hard, be so nice!

We are always looking for new members – new to the game or experienced. Come along to Club Night on Thursday evenings 7.30 onwards and give it a go.

If you are not sure if you want to join for the year try a special 3 month membership for \$75

For more information, contact the club president Tony Forde on 021 204 8021, at tonyforde@hotmail.co.nz or at www.silverdalesquash.co.nz

Fitness League n.z.

We will having a break over the Christmas period, and will be recommencing early February next year. We always have a shared luncheon after class on the last day for a fun social time, usually at the home of one of the Members. There are always some hilarious stories that have happened to someone during the year that the rest of us have not heard about, which all adds to the fun.

I hope that you all will have a great Christmas, and I will be back next year with more news about our classes.

Please check out our website www.fitnessleague.org.nz or email me at olivem@clear.net.nz and you can always ring me on 09 424 0402

Olive Morrison

Beehive Sites

My name is Luo Lei (pronounced Law-Lay). I'm a hobbyist beekeeper living in Mount Wellington. I'd like to have a few more beehives unfortunately my backyard is limited with space. I'm looking for a rural site to accommodate my new bee colonies.

Ideally the site is north facing with plenty of sun with lots of bush/trees around so the bees don't have to fly far to fetch for food.

My bees can help you pollenate your fruit trees, vegetables and your grass which in turn bees can get a variety of food sources.

You will be getting a share of the honey.

I will come in regularly to check the bees and make sure they are healthy and behave well!

Please feel free to get in touch with me by email or phone if you're interested.

Look forward to hearing from you!

My contact details are:

DDI: 365 0656

Mobile: 021 983 848

Email: Luo.Lei@aucklandnz.com

Dairy Flat Cubs

Cubs Term 3 was another fun filled term, we did a Kiwi Challenge walk in the dark at Orewa Alice Eaves Park. We had a cook off which was a great team building experience.

The kids worked on a plane model for the Modal Gala in Half Moon Bay along with some Scout from Dairy Flat and they did really well.

We had our Family Camp at Te Aroha which was awesome and we said farewell to five cubs who have moved up to Orewa Sea Scouts.

There are lots of new children joining and we are always on the lookout for new leaders.

Keas has kicked off for Term 4 so we are firing on all cylinders. This is just a snippet of what we do with our kids.

Dairy Flat Air Scouts located at the hall on Tuesdays 4.30 - 5.30 for Keas and 6.00 to 7.30 for cubs.

You you want to know more please contact the group leader Jo Saunderson on 09 427 0273 or joanne.saunderson@gmail.com

Waitoki Plants

Spring- Cold but here!

The Clematis is flowering with some lovely displays to be seen so I think it is now safe to prune off the frost damage sustained earlier in the year, if it hasn't already blown away, trimming damaged stems back to a good healthy buds is a sensible precautionary habit.

There has certainly been a bit of water lying about over September and those areas on the lawn that got high usage certainly struggle to grow grass. The soil becomes compacted which reduces water and air penetration and before you know it they will set like concrete. Try to redirect traffic away from these spots, take to them with a garden fork poking holes to encourage water and air into the soil, top dress with some decent top soil, sow with some grass seed (heavy duty species probably) cover lightly with a thin layer of top soil, and proceed to chase the birds away. Laying some old shade cloth over works well making sure you lift it every few days so that the grass doesn't grow into it.

I've seen some magnificent kaka beak flowering this spring, they are great plants but not simple to grow. The slugs and snails, all very active at the moment, give them a really hard time so I tend to recommend planting kaka beak somewhere slightly drier such as under an existing tree where there is still a lot of light but a little dry for a decent population of slugs and snails. Even though I am not a fan of completely free ranging chickens they do provide a good support system to an established kaka beak keeping the area relatively Gastropod free.

Listen out for the Cuckoo they have been heard back from their winter hols and ready to make use of the diligent little Grey Warblers nests and foster care facilities.

Talking of foster care: I will have a limited number of weaned lambs (whethers) for sale in the next month. Coloured and white, Romney x Corriedale/merino.

For plants and advisory service you can contact me:

Lisa Clapperton at Waitoki Plants

Silverdale Pony Club

The 2015/2016 season has well and truly kicked off at Silverdale Pony Club. Our first two mounted rallies were a huge success and it was great to be on the grounds this early in the season and have a great turnout for both rallies.

With the first of our three fun days getting closer, we are looking forward to hosting everyone on our wonderful grounds for another relaxed and enjoyable day. The fun days have become extremely popular with riders from all across the district and we even have some travelling up from Hamilton and down from Wellsford. The day caters for Kindy through to Masters and there will be spot prizes, bbq, home baking and the coffee van will be there too. They really are an event not to miss so if you are a rider, or even if you just would love to come and watch, make sure you mark the 29th November on the calendar, and check out our website for start time and program. www.silverdaleponyclub.com.

Another date you will want to reserve is the 17th January. We are very pleased to announce that Silverdale Pony Club is hosting a Blyth Tait clinic. The clinic will cover show jumping and cross country, so it's a great opportunity to learn from the master of cross country riding and try out some of our new jumps. If you are interested in attending the clinic then please contact our Head Coach Karley on 027 286 2217 or karley@rocketdesign.net.nz

SILVERDALE PONY CLUBS 2015/2016 FUNDAYS

- 29TH NOVEMBER

Community Learning Directory available.

A Community Learning Directory for the Hibiscus Coast and surrounding communities has been produced to make it easier for people to find out what learning opportunities are on offer in our area.

There are over 140 tutors offering around 180 courses. The section headings are: Art and Craft, Business and Finance, Computing, Food and Cooking, Fitness and Recreation, Music and Dance, Language and Travel, Personal Development as well as a large section for Children and Teens.

This free directory booklet was delivered to all households on the Hibiscus Coast – unfortunately the funding received did not allow delivery to outlying areas. Copies are available in the Dairy Flat store, the Orewa and Whangaparaoa libraries and the Citizens Advice Bureau in Orewa.

You can also view the booklet by going to the website www.hbclearn.co.nz and clicking on the book cover.

If you are a tutor or know of someone who tutors who would like to be included in the Directory, complete the simple form under ‘tutors’ on the website. This is a free service for tutors.

We hope you find this Directory useful.

Shore House Sitters

Going Away This Summer?

Wondering who will feed the cat, walk the dog, check on the horses, move the sheep...?

Having a house sitter can have many benefits including:

- Happy, stress-free pets looked after in their own home with all of their usual comforts, cuddles, warmth & walks.
- Secure home, with that lived in look; the lights are on, a car in the drive, washing on the line, the letterbox cleared.
- Keeping it green, your plants and lawns can even enjoy some attention to keep them looking lush.

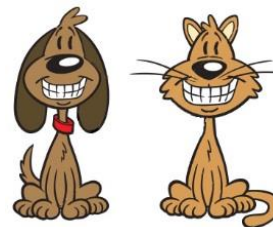

We are Carrie and Paul, taking pleasure in looking after a variety of families and homes around Auckland for the last 18 months including life style blocks in the Rodney District. Fond of animals, we have been companions for cats, dogs, horses, cows, sheep, goats, chooks and the family gold fish.

Carrie works part time in Albany whilst Paul is setting up a home based internet business. Together, we work as a team to make sure your place is secure with someone around much of the time whilst your furry family members get all the love and attention they want.

If you're going away call us for a meet & greet, we'd love to meet your family and discuss your needs.

Looking forward to hearing from you soon,

Carrie & Paul
